Three New Flights At Piedmont Airlines

Piedmont Airlines announced three additional destinations out of its hub at Charlotte International Airport yesterday: St. Louis, Mo.; Knoxville, Tenn.; and Dayton, Ohio.

Piedmont said it will begin twice-a-day non-stop flights to St. Louis and Knoxville on May 1, and twice-a-day links between its Charlotte and Dayton hubs on March 15.

Piedmont said the new flights will give Piedmont more than 155 flights out of Charlotte. Last fall Piedmont increased its leased gates at Charlotte's airport to 16 from 12 and doubled the area in its terminal there.
